

GALENA

A PREVIOUS YEAR OF PERSEVERANCE

Volume 4, Issue 4, 2025
A Newsletter of East Coast Group

Galena

Is also called lead glance. It is natural mineral form of lead (II) sulphide. It is the most important ore of lead and an important source of silver.

Galena is a very important mineral as it serves as an ore for most of the world's lead production. It is also significant ore of silver. Galena has very few uses beyond its service as an ore, but that should not diminish its importance to society.

ECG's core business is minerals and it believes in its infinite use on earth. Galena continue to sublime which symbolizes our culture in business.

ECG Concerns and Activities

EC Bulk Carriers Limited

By the Grace of Almighty Allah, MJL Bangladesh PLC, a subsidiary of East Coast Group, achieved a significant milestone in its maritime journey with the signing of a Memorandum of Agreement (MOA) with Bigal Shipping Corporation of Liberia on 31 December, 2024. The agreement was for the purchase of an Aframax Tanker (DWT 115,690 MT), built in 2012 at a South Korean shipyard.

On 09 April, 2025, the vessel was officially taken over in Singapore and re-named OMERA GALAXY. This tanker now holds the distinction of being the largest vessel sailing under the Bangladesh flag. More than just a fleet addition, this acquisition represents a strategic investment in the future of sustainable and responsible shipping, as the vessel is equipped with advanced technologies in line with the latest IMO regulations, supporting our long-term goals of decarbonization, fuel efficiency, and environmental responsibility.

Continuing our commitment to future-ready maritime operations, another major milestone was reached on 22 April 2025, when steel cutting commenced for a brand-new LR2 Tanker (DWT 115,690 MT) at Daehan Shipbuilding Co. Ltd., South Korea. This project marks a new era for the Bangladeshi shipping sector—constructing a vessel at an internationally renowned shipyard

that focuses on energy efficiency, greener operations, and carbon footprint reduction. The vessel is being built to align with evolving IMO environmental standards and the broader energy transition goals shaping the global shipping industry.

These milestones reaffirm East Coast Group's vision to lead in maritime excellence while championing sustainable growth and innovation.

East Coast Shipping Lines Limited

VLGC STS Operation: A milestone by East Coast Shipping Lines Limited (ECSLL) for LPG Supply to Bangladesh.

East Coast Shipping Lines Limited (ECSLL) has played a pivotal role in strengthening Bangladesh's LPG supply chain. In collaboration with Omera Petroleum Limited and MJL (S) Pte Ltd, ECSLL has successfully executed Ship-to-Ship (STS) operations from Very Large Gas Carriers (VLGCs) by pressurized LPG vessels.

Acting as STS coordinator and local agents, ECSLL manages and coordinates the entire STS process—demonstrating innovation, operational excellence, and a strong commitment to supply chain efficiency. These advanced operations now contribute to meeting up to 40% of the country's LPG demand, highlighting ECSLL's vital role in

energy logistics.

Since 2023, ECSLL is facilitating 12 nos. VLGC STS Operations every year with a combined handling capacity of about 513,759 metric tons LPG per year marking a significant contribution to national energy infrastructure.

EC Organic Products Limited

Advocating Wellness Through Community Engagement

Since March 2023, EC Organic Products Limited has been making a lasting impact through its Joggers Park Activation at Justice Shahabuddin Park, representing its flagship brand, Olio Orolio Olive Oil. This initiative has been a resounding success, allowing the company to engage with health-conscious individuals through interactive experiences, including booth setups, free health checkups, BP activations, and the collection of over 3,000 loyal customer leads.

Building on this strong foundation, EC Organic Products Limited has extended its Joggers Park Activation for the year 2024, expanding its reach and engagement. This extension provides a valuable platform for both of its premium brands, Olio Orolio Olive Oil and EC Organic Sunflower Oil, to connect with its audience through meaningful and impactful activities:

- ✓ 12 Months of Health Check-up Activations: A newly introduced multi-purpose cart showcases the company's products while offering essential health checkups. The cart operates four days a week, providing blood pressure monitoring, blood sugar level tests, and weight checks to park-goers.
- ✓ 5 Dermatologist Sessions: In response to the growing interest in skincare, free dermatologist consultations have been arranged, offering expert skincare advice.
- ✓ 10 Health Tips Activations: To further promote healthy living, sessions with a nutritionist have been scheduled, providing valuable dietary and wellness guidance to participants.

Through this activation, EC Organic Products Limited continues to enhance brand awareness and foster meaningful relationships with consumers. By aligning with their wellness journey, the company remains committed to delivering premium products that contribute to a healthier lifestyle.

ECG Concerns and Activities

Clean Fuel Filling Station Ltd.

Clean Fuel Filling Station is becoming a trusted name across Bangladesh. People who want fuel, they can rely on Clean Fuel to get good quality, fairly priced and better for the environment. They've opened stations in Dhaka, Sylhet, Bogura, Gazipur and Tangail. It's all in key locations to meet the country's growing need for clean energy. One of their most popular spots is the Mohakhali station in Dhaka. People love Clean Fuel for its quick service, friendly staff, and clean well-kept surroundings. Clean Fuel isn't just a place to fill up your tank but also offers Diesel, CNG, Gasoline along with vehicle servicing, LPG conversions and spare parts. Some of the country's leading companies rely on Clean Fuel including Rangs Ltd., Beximco, Opsonin Pharma, ICDDR,B, ACI Godrej Agrovet, and Advanced Chemical Industries Ltd. As they keep growing, their promise to stay the same as clean fuel, smarter service, and a greener future for everyone.

Radiant Alliance Limited

Radiant Alliance Limited, Solar Panel Manufacturing plant located at Ashulia, Dhaka; is experienced in Photovoltaic (PV) Solar Panel Manufacturing off-grid solar PV modules since 2011. In 2024, the plant expanded its wings towards the Global Solar market with ISO Certified plant capacity of 300 MW per annum. The new fully automated production line produces both on-grid and off-grid panels. With capacity ranging from 50Wp upto 700 Wp per panel of Solar Photovoltaic (PV) Modules for both on-grid & off-grid requirements. The latest IEC 61215, IEC 61730, TUV, CE & UL certifies PV Modules are manufactured using TOPCON N-type Mono Crystalline & HJT Technology aiming to Export Solar Panels to Africa, USA, UAE, Europe including Bangladesh market.

22.69 MW

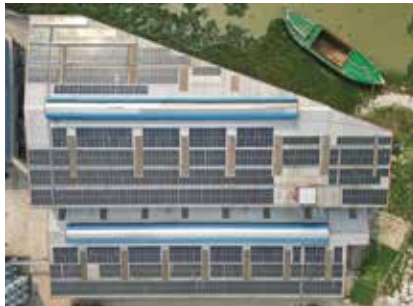

Projects of 2024

Omera Solar Milestone Year

Commissioning 20 projects parallelly in 2024, Omera Solar achieved the milestone of 29.50 MWp of Grid-Tied Rooftop Solar Projects. Surpassing the 2024 target, Omera Solar entered 2025 achieving 60 MW+ of Solar Rooftop Project.

This capacity includes Bangladesh's largest Single-Phase Rooftop Solar Project of 22.69 MWp for Meghna Group Of Industries (MGI) located at Meghna Ghat. The project was commissioned in 6 months' time on 44 nos. of rooftops which on its own has become a marvel for Omera Solar.

Omera Renewable Energy Limited

In 2024, Omera Solar's clientele expanded incorporating renowned names including KDS Group, Viyellatex Group & Palmal Group alongside MGI. Omera Solar Team established their quality and capacity parallelly commissioning multiple solar projects in 2024. This accounted to deploying and managing multiple engineering teams ensuring safe and efficient system installations meeting Critical Client Deadlines.

- ✓ 3M™ Industrial Tapes & Additives

3M™ Building and Automotive Films

At EC Distribution Limited, we are committed to delivering world-class quality with exceptional service, ensuring our customers in Bangladesh have access to the latest 3M technologies that improve safety, energy efficiency, and overall user experience.

Elysium Engineering Limited

Since its establishment in 2022, Elysium Engineering Limited (EEL) has been dedicated to providing comprehensive architectural & engineering solutions for various in-house projects of East Coast Group (ECG). The major projects undertaken by EEL in 2024 include designing & constructing a Solar Panel Manufacturing Factory in Ashulia, a Commercial Building in Moulvibazar, a College Building for Mohtasin Ali High School & College in Kulaura, and an office floor and guest house at Marina Square in Kulaura, among others.

In addition to these key projects, EEL has successfully executed numerous other assignments at the ECG headquarters and various offices of its subsidiary companies. Throughout all its endeavors, Elysium Engineering Limited adheres to the highest standards of architectural & engineering, ensuring meticulous supervision and quality control at each stage of project execution.

Furthermore, EEL has expanded its scope beyond the East Coast Group by taking on multiple projects for external clients. This strategic diversification with multidisciplinary field of architectural, engineering and construction enriches the company's portfolio. Through its commitment to excellence, innovation, and best comprehensive design solution practices, Elysium Engineering Limited continues to establish itself as a trusted and reliable partner in the architectural and engineering industry.

Nordic Woods Limited

On the occasion of the World Environment Day on June 5, 2024, Nordic Woods Limited organized a seminar at its factory premises in Mirerdanga, Daulatpur, Khulna, in collaboration with the Directorate of Environment, Bangladesh. High-officials from both organizations were present at the event.

Government representatives provided us with invaluable guidance on environmental protection, emphasizing the importance of afforestation within the factory premises. As a tribute to the day, we concluded the event by planting a significant number of trees to reinforce our commitment to a greener future.

EC Agro Limited

Continuing its activities with the aim of ensuring higher yields through the modernization of integrated agricultural systems, one of the objectives of EC Agro is to produce safe food by following the best use of agricultural land and organic farming methods. In addition, EC Agro focuses on the production of unconventional and profitable agricultural products. Above shows the Chairman, Mr. Azam J Chowdhury, visiting the EC Agro.

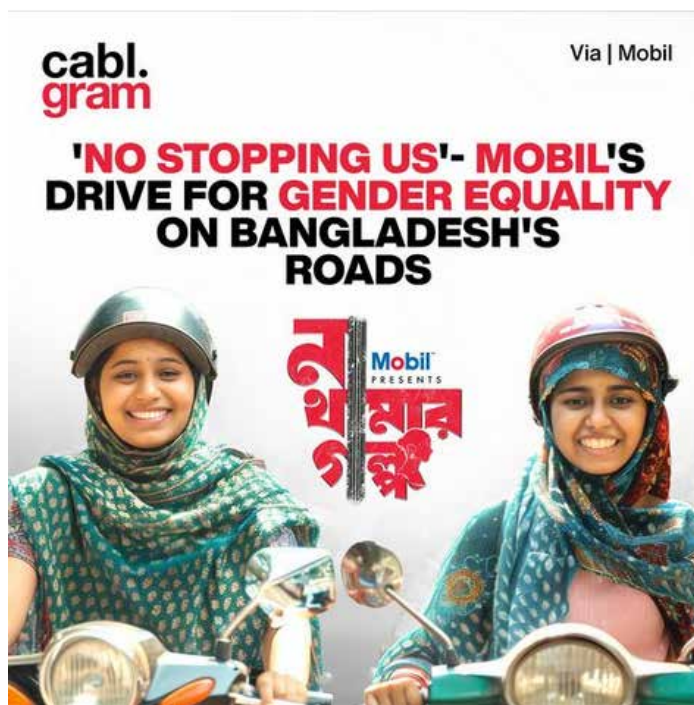

MJL Bangladesh PLC

Driving Equality & Women Empowerment

For the first time MJL Bangladesh PLC. Celebrated International Women Drivers' Day 2024

Bangladesh is witnessing a remarkable rise in women drivers. They are taking the wheel for everything from school drop-offs to running Uber businesses, daily commutes, and long-distance journeys. However, their journeys are not always smooth. Societal barriers often cast doubt on their capabilities, leading to jeers and bullying on the roads. MJL Bangladesh PLC. is proud to be a champion for progress. This year, for the first time ever in Bangladesh, we celebrated International Women Drivers' Day on June 24th. The goal was to raise awareness about the challenges women drivers face and empower them to keep moving forward, shattering stereotypes. To mark this occasion, we launched a comprehensive campaign under the banner of "Story of Unstoppable Journey" to celebrate and support these inspiring women. Through this campaign, Mobil aims to empower women in the transportation sector and promote gender equality in the workforce.

Sharing Global Expertise for Building a Sustainable Automobile Industry in Bangladesh

Partnership with Bangladesh-German Technical Training Centre (BGTTTC)

Bangladesh's thriving automotive industry demands a highly skilled workforce with a comprehensive understanding of engine diagnosis, maintenance & repair, and particularly the crucial role of quality engine oils. MJL Bangladesh PLC. tied up with Bangladesh-German Technical Training Centre (BGTTTC) to enrich & enhance the practical engine oil knowledge among automotive students of BGTTTC. Mobil, as a leading brand in Bangladesh, holds more than 155 years of legacy & knowledge of engine oil worldwide. MJL Bangladesh PLC. a strategic alliance partner of ExxonMobil, believes in spreading & enhancing knowledge so that together we can build more resilient Bangladesh. As part of that, MJL Bangladesh PLC. arranged a knowledge-sharing session titled "Fundamentals of Lubricants & Practical Applications" with the automotive students at BGTTTC on May 6, 2024. More than one hundred students participated in the session. The Honorable Principal of BGTTTC, Engr. Fouzia Shahnaz, inaugurated the event at BGTTTC Auditorium.

Celebrating 50 Years of Mobil 1

At the prestigious 17th Dhaka Motor Show during 23-25 May 2024, Mobil displayed its innovative & comprehensive product portfolio. The visitors had the opportunity to experience firsthand diversified Mobil products & talk to lube engineers about its performance, solidifying Mobil's reputation as a leader in the lubricant industry. This event marked a significant milestone as MJL Bangladesh PLC. celebrated the remarkable 50-year journey of Mobil 1 and unveiled the latest innovation-Mobil Super Friction Fighter 5W-30 Lubricant, this groundbreaking product is set to revolutionize the automotive industry with its advanced formula designed to reduce friction and enhance engine performance.

Omera Petroleum Limited

Omera Victory: Strengthening Bangladesh's Energy Future

Omera Victory is the latest addition to the fleet of Omera Petroleum Limited (OPL). This vessel marks a significant step in ensuring a seamless LPG supply nationwide. This vessel strengthens our commitment to energy security, supporting households, industries, and economic progress. A step towards a more resilient and self-reliant Bangladesh.

Omera LPG Launches "LPG Solution" App on International Chefs Day

On October 20, 2024, International Chefs Day, Omera LPG proudly introduced the LPG Solution app in front of 1,000 chefs from across Bangladesh! This innovative app makes ordering LPG cylinders easier than ever—with just a tap, users can enjoy fast, hassle-free doorstep delivery. Omera LPG also set up an Instant Photo Booth for chefs to capture their special moments and hosted a comprehensive Safety Training session covering LPG safety, fire prevention, and emergency response. A step towards a smarter, safer, and more sustainable future!

Omera Petroleum Limited

Omera Sales Conference 2025: Evolve Excellence, Let's Combat to Rule!

The Omera Sales Conference 2025, held from January 8-10 at Dream Square Resort, took Omera's journey to excellence even further. Building on last year's theme, Ignite Excellence: Let's Roar & Conquer, Omera is now focused on evolving its excellence and staying ahead in the market.

CEO, Tanzeem Chowdhury, motivated the team, recognizing their dedication as the top sales force in the country. The conference featured useful training, fun sports activities, and a cultural night, making it a great mix of learning and celebration. Omera is ready to face challenges and lead the market with unwavering excellence!

Omera Petroleum Limited Recognized as Largest LPG Importer on 74th Foundation Day of Mongla Port Authority

Omera Petroleum Limited is proud to be recognized as the largest LPG importer for the second consecutive year during the 74th Foundation Day celebration of Mongla Port Authority. This prestigious award was presented to CEO, Mr. Tanzeem Chowdhury, by Rear Admiral Shaheen Rahman, NUP, NDC, PSC, Chairman of Mongla Port Authority.

This recognition highlights Omera's leadership in the LPG industry and its commitment to serving the nation with excellence.

Omera LPG: Prioritizing Safety

At Omera LPG, safety is our top priority. We are committed to promoting safety and ensuring that all stakeholders, including B2B clients, HORECA (hotels, restaurants, cafes), and others, to handle LPG safely.

This picture was taken during a HORECA training session held on December 24, where we provided critical safety training to industry professionals.

Finlay Tea

East Coast Group Partnered With Finlay

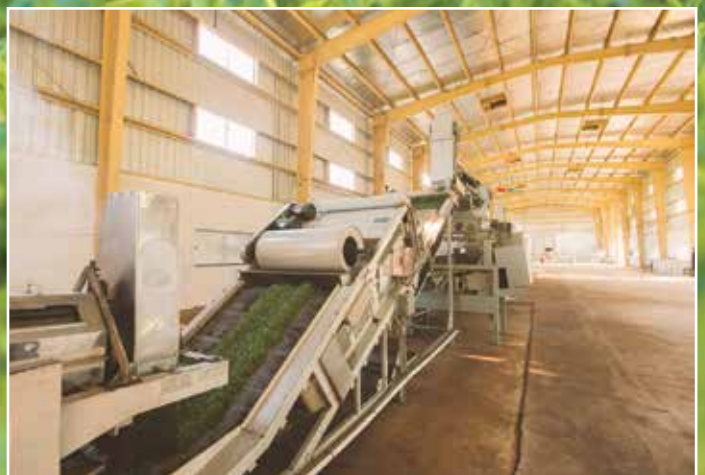

In 2004, East Coast Group and partners acquired English Tea Company Finlay's assets in Bangladesh, the country's largest tea producer with a rich heritage of 130 years, it comprises 16 estates across 7 divisions, including seven black tea, one green tea, and five rubber factories.

At the heart of it were 16 beautiful tea estates and several factories spread across Sylhet's rolling green hills. But for us, this wasn't just about land or production—it was about preserving something special. Finlay had been part of Bangladesh's story for generations, and we saw the chance to help carry that legacy forward.

Since then, the partnership has been about exactly that: honoring the past while building for the future. Over the years, Finlay worked hard to modernize operations, improve working conditions, support the communities around the estates, and open new doors for Bangladeshi tea in international markets.

Today, Finlay continues to be a trusted name, not just because of its heritage but because we've kept it moving with the time. East Coast Group is proud to be a part of this journey.

It's a partnership rooted in respect, built on growth, and still brewing strong.

Mohtasin Ali High School And College Performance

Excellent HSC Result in 2023 and 2024

The honorable Chairman and President of the Governing Body, Mr. Azam J Chowdhury's relentless effort made it possible to turn Mohtasin Ali High School into a college in 2021. After upgrading, the college earned remarkable results in the 1st and 2nd year HSC Examination. It made history by earning a superb performance in HSC in 2023 and 2024. In the 2023 HSC examinations, the institution achieved an 86% pass rate, securing the first position in Kulaura Upazila and the Fifth position in Moulvibazar District. The latest HSC examinations saw a pass rate of 98.75%, and 12 students achieved A+. Again, the institution was placed first in Kulaura Upazila and second in Moulvibazar District.

The management committee and teachers of Mohtasin Ali High School and College have been running the institution under the guidance of Mr. Azam J Chowdhury with complete dedication and care. The college has now become one of the best in the Moulavibazar District.

The piling work for the sub-structure of the college building has been completed. The full construction of the building started in March 2025 and hopefully will be completed by March 2027.

Zakat Distribution through Electronic Fund Transfer

On March 25, 2024, in the first phase of Zakat Distribution Initiative, our esteemed Chairman, Mr. Azam J Chowdhury, exemplifying the spirit of compassion during the holy month of Ramadan, distributed Zakat funds of Taka 30,000 to each of the 209 needy families in the Kuldura region. These families, meticulously selected from a pool of 1080, were chosen to catalyze positive change in their lives.

Two categories of Zakat recipients were considered, with the overarching goal of poverty alleviation and fostering financial stability. The first comprises individuals lacking financial support, land, or a stable income source, while the second encompasses those with minimal resources that cannot meet their basic needs. Our initiative focused on both categories, assisting 209 selected families in investing in small businesses such as shops, livestock rearing, pisciculture, poultry farming, sewing, agro, and vegetable gardening, offering them stability for a brighter future.

Our program incorporates regular monitoring and progress tracking, with follow-up every three months. After one year, these families will undergo re-evaluation for further financial assistance. This heartfelt initiative of the Taka 62,70,000 Zakat fund distribution ceremony took place at the East Coast Center's Board Room through Electronic Fund Transfer to the newly opened bank accounts of the beneficiaries.

The key management figures from East Coast Group, including Mr. Tanjil Chowdhury, Managing Director; Dilruba Chowdhury, Director; Mr. Tanveer A. Chowdhury, Director; Major General Nayeem Ashfaque Chowdhury (Retd), Executive Director; Mr. Masudur Rahim, Chief Executive Officer; Captain Minhazur Reza Chowdhury (Retd), Chief Operating Officer; Mr. Md. AKH Hasif Sowdagar, FCMA, FCA, Chief Financial Officer; and Col Liaquat Ali Khan (Retd), Head of CSR, among others graced the events.

MYC Charitable Foundation

The Second Phase of Zakat Distribution under the Marina Yasmin Chowdhury (MYC) Charitable Foundation took place in September 2024

On 25th September, 2024, the esteemed Dilruba Chowdhury, Director of HR at East Coast Group, inaugurated the second phase of Zakat distribution via Electronic Fund Transfer, benefiting 141 underprivileged individuals in Kulaura.

Digital activation of second phase Zakat distribution initiative by Dilruba Chowdhury, Director of HR at East Coast Group

Of these, 141 families complied with the stipulated conditions and worked accordingly. To further support their efforts, each of these 141 families was provided an additional Taka 20,000 in the second phase on 25th September, 2024, totaling Taka 2,820,000, distributed via Electronic Fund Transfer.

MYC Charitable Foundation

Winter Blanket Distribution at Kulaura 2024

MYC Charitable Foundation initiated a compassionate endeavor by distributing winter blankets in the first week of January to the Kulaura region. This dedicated effort, in memory of our Chairman's late mother, Mrs. Bakhtunnessa Chowdhury, and his wife, Mrs. Marina Yasmin Chowdhury, was conducted by Col Liaquat Ali Khan (Retd), our Head of CSR, on behalf of our honorable Chairman, Mr. Azam J Chowdhury.

The blankets were distributed by Col Liaquat Ali Khan (Retd), our Head of CSR, guided by our esteemed Chairman, this impactful initiative provided significant assistance to those in need, setting a compassionate tone for the year ahead.

Winter Blanket Distribution at Kurmitola Golf Club, Dhaka 2024

We commenced on January, 2024 with a compassionate act – distributing winter blankets to the Caddies and Ball Boys of Kurmitola Golf Club. This initiative, dedicated to the memory of our Chairman's late mother, Mrs. Bakhtunnessa Chowdhury, and his wife, Mrs. Marina Yasmin Chowdhury, was led on behalf of our honorable Chairman by Col Liaquat Ali Khan (Retd), our Head of CSR.

Bakhtunnesa Chowdhury Charitable Foundation

Yearly Shirni Program 2024

The year on 24th November, 2024, started with the annual Shirni program organized in memory of our honorable Chairman's late mother, Mrs. Bakhtunnesa Chowdhury, and his wife, Mrs. Marina Yasmin Chowdhury.

Similar to previous years in 2022 and 2023, this heartfelt event, benefiting orphaned children, featured a Doa Mahfil and welcomed distinguished guests, including Mr. Shafiul Alam Chowdhury Nadel, Ex MP; Mr. Md. Monzur Rahman, SP, Moulvibazar; Mr. Dipankar Ghosh, ASP, Kulaura; and Mr. Mohammad Ali Mahmud, Office -in-Charge, Kulaura Thana.

World Diabetes Day Celebration by BCDC, 14th November 2024

On World Diabetes Day, Bakhtunnesa Chowdhury Diabetes Center organized a free medical camp on 14th November 2024, at the Bakhtunnesa Chowdhury Diabetes Center in Kulaura.

The Bakhtunnesa Chowdhury Diabetes Center proudly organized a special free medical camp on World Diabetes Day, dedicated to raising awareness and supporting the local community on diabetes prevention and management. The event offered free health check-ups, including blood glucose, blood pressure, and BMI measurements. Additionally, it highlighted the center's continued commitment to providing essential diabetes services and support.

This event showcased the center's integrated approach to diabetes management, emphasizing its mission to equip patients with the knowledge and tools necessary for a healthy life. On World Diabetes Day, individuals with diabetes joined us, took positive steps toward a healthier lifestyle, and experienced the dedicated care offered by the Bakhtunnesa Chowdhury Diabetes Center.

As a leading diabetes care provider in Kulaura, we recognize the importance of early detection and personalized guidance in managing diabetes. Our skilled team is committed to delivering tailored medical care. We welcome everyone to join us in this community effort to support individuals affected by diabetes and promote a healthy, disciplined lifestyle.
